

# Local Board of Health Toolkit – Scavenger Hunt

## Governors Conference on Public Health

1. Where do you find “Instructions to access Iowa Code and Iowa Administrative Code?”
2. What is the Community Health Report called that Boards of Health are charged with completely every five years?
3. Who appoints the Local Board of Health members?
4. The “Ten Rules of Thumb” for Boards of Health highlights \_\_\_\_\_ aspects of boards of health and their relationships with the public, Board of Supervisors and state level of Public Health.
5. Many of the major improvements in the health of American people have been accomplished through public health measures. Name two of these accomplishments.
